

Trekker Kids is a series of activities and programs for kids and families that celebrate the outdoors of western Montana and the rich history of the Travelers' Rest site.

Regular programs will be held on Saturdays. Trekker Kids collect stamps in their personal journal; Kids with six or more stamps are rewarded with a Travelers' Rest water bottle and more.

Cost is \$2 per child, free for adults. Fees help offset the costs of materials and support future Trekker Kids programs. Participation in Trekker Kids is FREE with Family Membership in Travelers' Rest Preservation & Heritage Association
